

October 3, 2002

To Whom It May Concern:

Coby Elimelech provided MSM with entertainment during a staff BBQ in August 2002. Our staff was both impressed and baffled with his "magical" talents and we are happy to recommend his talents as a crowd pleaser for any company function.

His illusions provided something very different for our employee's to see and talk about. We wish him success with his future in the entertainment industry.

Regards,

Alan Lindsay
General Manager
