Dear Coby,

We wanted to thank you very much for the unbelievable performance you gave us at our client appreciation function last week. Everyone was mystified and electrified by your talent and skill. They appreciated your new and innovative approach to this old art of a close up magic and illusion segment. We can't begin to explain, but it was a pleasure to see the astonished faces across the room. Your performance was like the "Icing on the Cake" and we would definitely recommend you to all of our other clients and functions. It was an honor and pleasure to have you perform for the Royal Bank Financial Group and we look forward to having you come again in the near future.

Sincerely
