To Whom It May Concern:

Mid-year of 2002 management and myself had decided that we needed to come up with a promotional idea to increase sales for particular evenings. Among many suggestions, the opportunity of introducing Coby and his interactive magic show to our patrons proved to be the most exciting path to take.

We brought Coby in once a week for a two-hour evening show over a two-month period. The effect it had to the business was immediate. Following the successful completion of the contract, we had regular customers inquiring on when Coby would be returning. Needless to say, we look forward to re-signing him in the summer of 2003.

Yours truly,

John Baragli
Owner/General Manager

Dear Coby:

Over the past 4 months we have had COBY appear at our location every Thursday evening. Our patrons have enjoyed his illusions and are amazed in his entertainment level. We have found that COBY does a great deal in entertaining our guests during busy periods. Customers constantly inquire about COBY and we would highly recommend his services to anyone in need of this type of entertainment.

Sincerely,
